

Open Rank Position in Speech and Hearing Science
Department of Speech and Hearing Science
College of Applied Health Sciences
University of Illinois at Urbana-Champaign

- Position:** The Department of Speech and Hearing Science (<http://shs.illinois.edu>) invites applications for an academic nine-month faculty position at the rank of assistant, associate or full professor in the area of neurological bases of communication disorders.
- Description:** The Department seeks outstanding candidates with a history of excellence in research, teaching and service. The candidate's research should address the neurological bases of developmental and/or acquired communication disorders of speech, hearing, or language. Candidates should have a record of or potential for external funding. Preference will be given to applicants with clinical certification in Speech Language Pathology or Audiology. Departmental faculty conduct world class research, are committed to excellence in teaching and have long-standing associations with campus initiatives such as the Neuroscience program, the Beckman Institute for Advanced Science and Technology, and the Center on Health Aging and Disability.
- Available:** The position is available August 16, 2016.
- Qualifications:** Applicants must hold an earned doctorate or terminal degree in Communication Sciences and Disorders or related disciplines. The candidate must be qualified for appointment as assistant, associate or full professor.
- Responsibilities:** Conduct and publish research in one's chosen area of expertise, obtain external funding, teach undergraduate and graduate courses, advise and direct student theses and dissertations, engage in professional and public service activities, and serve on department, college, and university committees.
- Salary:** Commensurate with qualifications and experience.
- Closing date:** For full consideration an application must be received by Dec 7, 2015. Review of applications will continue until the position is filled.
- Applications:** Please create your candidate profile at <https://jobs.illinois.edu> and upload your letter of application that includes a statement of research interests, a statement of teaching interests, curriculum vitae, and the names, addresses, and phone numbers of three references. Candidates will be notified before letters of recommendation are requested.
