

## CURRICULUM VITAE

### Karen Iler Kirk

**Business Address:** Department of Communication Sciences and Disorders  
University of Iowa, Iowa City, Iowa 52242  
**Phone:** 319-335-8701  
**Email:** karen-kirk@uiowa.edu

#### EDUCATIONAL AND PROFESSIONAL HISTORY

##### Education

1991 Ph.D., Hearing Science, The University of Iowa  
1987 M.S., Speech Science and Technology, University of Southern California  
1980 M.A., Speech and Hearing Science, University of California, Santa Barbara  
1978 B.A., Speech Pathology & Audiology, University of California, Santa Barbara

##### Licensure and Certification

American Speech-Language-Hearing Association Certificate of Clinical Competence,  
Speech-Language Pathology

Indiana Speech-Language Pathology License #22002346

##### PROFESSIONAL AND ACADEMIC POSITIONS

2014- Shahid and Ann Carlson Khan Professor and Head, Department of Speech and Hearing Science, University of Illinois, Urbana-Champaign  
2009-2013 Professor, Dept. of Communication Sciences and Disorders, The University of Iowa  
2009-2013 Professor, Dept. of Otolaryngology-Head and Neck Surgery, The University of Iowa  
2005-2009 Professor, Dept. of Speech, Language and Hearing Sciences, Purdue University  
2005-2009 Adjunct Professor, Dept. of Otolaryngology-Head and Neck Surgery, Indiana University School of Medicine  
2002-2005 Full Member, Faculty of the University Graduate School, Indiana University  
1999-2005 Psi Iota Xi Scholar in Pediatric Speech and Hearing, Dept. of Otolaryngology-Head and Neck Surgery, Indiana University School of Medicine  
1997-2005 Assistant-to-Associate Professor, Cognitive Science Program, Dept. of Psychology, Indiana University

- 1995-2005 Assistant-to-Associate Professor, Dept. of Otolaryngology-Head and Neck Surgery, Indiana University School of Medicine
- 1994-2005 Adjunct Assistant-to-Associate Professor, Dept. of Speech and Hearing Sciences, Indiana University, Bloomington
- 1993-1995 Assistant Scientist, Dept. of Otolaryngology-Head and Neck Surgery, Indiana University School of Medicine
- 1992-1993 Adjunct Assistant Professor, Dept. of Speech Pathology and Audiology, The University of Iowa
- 1991-1993 Assistant Research Scientist, Dept. of Otolaryngology, Head and Neck Surgery, The University of Iowa
- 1987-1990 Teaching and Research Assistant, Dept. of Speech Pathology and Audiology, University of Iowa
- 1981-1985 Research Associate, House Ear Institute, Los Angeles, CA
- 1980-1981 Speech-Language Pathologist, Buford Ave. Elementary School, Lennox, CA
- 1978-1980 Teaching Assistant, University of California, Santa Barbara

#### **HONORS AND AWARDS**

- 2014 Shahid and Ann Carlson Khan Professorship, University of Illinois, Urbana Champaign
- 2008 NIH/American Auditory Society Mentored Doctoral Student Research Award (Mentor to Vidya Ganesh, PhD student)
- 2007 Seeds for Success Award, Purdue University  
(Given to PIs of external grant awards in excess of \$1,000,000)
- 2007 Fellow, American Speech-Language-Hearing Association
- 2005 Editor's Award, best paper in the Hearing Section, Journal of Speech, Language and Hearing Research
- 1999-2005 Psi Iota Xi Scholar in Pediatric Speech and Hearing, Department of Otolaryngology-Head and Neck Surgery, Indiana University School of Medicine
- 1991 Elected to Sigma Xi, The Scientific Research Society
- 1987-1990 Graduate In-Training Assistantship, University of Iowa
- 1986-1987 Morkovin Fellowship, University of Southern California
- 1978-1980 Graduate In-Training Assistantship, University of California, Santa Barbara

1978 Magna cum laude, University of California, Santa Barbara

## MEMBERSHIPS

American Speech-Language-Hearing Association

2010-2013 Vice President for Science and Research

Board of Directors

2000-2001 Co-Chair, Work Group on Cochlear Implants (responsible for producing a Technical Report)

1999-2000 Chair, Cochlear Implant Subcommittee for 2000 convention, Washington, DC

American Auditory Society

2010 Program Committee

American Cochlear Implant Alliance

## SCHOLARSHIP

### Publications or Creative Works

#### *Books - Refereed*

Niparko, J.K. (Ed), \*Kirk, K. I., Robbins, A. M., Mellon, N. K., Tucci, D. L., Wilson, B. S. (Co-Eds.) (2009). Cochlear Implants: Principles and Practices, Second Edition. Philadelphia: Lippincott Williams & Wilkins.

National Research Council. (2005). R. A. Dobie & S. B. Van Hemel (Eds.). Hearing Loss: Determining Eligibility for Social Security Benefits. Committee on Disability Determination for Individuals with Hearing Impairments. Board on Behavioral, Cognitive, and Sensory Sciences, Division of Behavioral and Social Sciences and Education. Washington, DC: The National Academies Press. (\*Committee Member and contributor)

- 2012-2014 National Institute on Deafness and Other Communication Disorders: 1 U24 DC012078, "Mentoring Network for Clinician-Scientists in Communication Sciences and Disorders". Leadership Team Member \$553,916 (Direct Costs: \$401,000) (PI: Margaret Rogers)

- 2012-2014 National Institute on Deafness and Other Communication Disorders: F32 DC011669, "Online speech processing in pediatric and adult cochlear implant users. Co-Sponsor (Principal Investigator: Ashley Farris-Trimble)
- 2011-2016 National Institute on Deafness and Other Communication Disorders: R01 DC008089, "Lexical integration of continuous acoustic detail in normal and impaired listeners"; Investigator (Principal Investigator, Bob McMurray).
- 2011-2016 National Institute on Deafness and Other Communication Disorders: P50 DC000242, "Iowa Cochlear Implant Clinical Research Center V"; Principal Investigator of Project 3, "Speech and Language Processing". (Direct Costs of Project 3: \$1,224,834) (Project Director: Bruce Gantz)
- 2009-2010 Research Grants Council of Hong Kong: "The construction and validation of the Cantonese Spoken Word Recognition Test (SWORT) to measure the word perception ability of Cantonese-speaking children."; 658,071 HK\$ (Direct costs 572,236 HK\$); Investigator (Principal Investigator, Kathy Yuet Sheung Lee)
- 2007-2014 National Institute on Deafness and Other Communication Disorders: R01DC00875, "Multimodal tests of spoken word recognition for adults and children"; Principal Investigator \$2,844,984 (Direct costs \$2,324,840)
- 2006-2009 National Institute on Deafness and Other Communication Disorders: R01DC000064, "Speech perception and spoken word recognition by children with cochlear implants"; Principal Investigator of Purdue University subcontract \$338,975 (Direct costs of subcontract: \$228,677); (Principal Investigator of parent grant: Richard Miyamoto, Indiana University School of Medicine).
- 2002-2004 Deafness Research Foundation: "Assessing early word learning skills in deaf infants following cochlear implantation"; Principal Investigator (Project Director, Derek Houston); \$55,967.
- 2002-2003 American Hearing Research Foundation: "Development of audiovisual skills in deaf infants following cochlear implantation"; Principal Investigator (Project Director, Derek Houston); \$19,979.
- 2000-2005 National Institute on Deafness and Other Communication Disorders: R01 DC00064, "Comparison of sensory aids in deaf children"; Co-Principal Investigator (Principal Investigator, Richard Miyamoto); \$2,714,940 (Direct costs: \$1,901,480)
- 1996-2002 National Institute on Deafness and Other Communication Disorders: K08 DC00126, "Spoken word recognition by adult cochlear implant users"; Principal Investigator; \$431,011 (Direct costs: \$399,084)
- 1993-1994 American Speech-Language-Hearing Foundation: Research Grant for New Investigators, "The effects of talker and speaking rate on word recognition by adult cochlear implant users"; Principal Investigator; \$4,000

*Internal*

- 2007 Purdue University Faculty Research Abroad in Taiwan grant, Principal Investigator, \$1400 (This supported participation at an International Symposium on Globalization and University Research Collaboration, Taipei, Taiwan, May 2007)
- 2001-2002 Indiana University Intercampus Research Grant: “Assessing speech perception skills of deaf infants who use cochlear implants”; Principal Investigator, \$9000.
- 1998-2000 Investigator, Indiana University Strategic Directives Charter Initiative: “Linguistic, cognitive and sensory factors underlying the clinical effectiveness of pediatric cochlear implants”; Principal Investigator, Richard T. Miyamoto; \$320,000 (Direct costs: \$320,000); Co-Director (with Steven B. Chin, Ph.D.) of Project 2, “Linguistic Environment and Language Models”
- 1996-1998 Indiana University Intercampus Research Grant: "Variability and auditory-visual speech perception"; Principal Investigator; \$6,937
- 1995 Faculty sponsor of First Place award recipient, Marlow Manion Research Day, Dept. Of Otolaryngology-Head and Neck Surgery, Indiana University

### **Grant Consultantships**

- 2014-2019 Consultant, “Family influence on academic and social outcomes in children with hearing loss”; National Institute on Deafness and Other Communication Disorders grant R01 (pending); Principal Investigator: Rachael Holt, Ph.D., Indiana University, Bloomington, IN.
- 2014-2019 Consultant, “Complex listening skills in school-age hard of hearing children”; National Institute on Deafness and Other Communication Disorders grant R01DC013591; Principal Investigator: Ryan McCreery, Ph.D., Boystown National Research Hospital, Omaha, NE.
- 2014-2017 Consultant, “The effect of multiple talkers on spoken language processing in toddlers with and without cochlear implants” National Institute on Deafness and Other Communication Disorders grant R03 (pending); Principal Investigator: Brittan Barker, Ph.D., Louisiana State University, Baton Rouge, LA.
- 2009-2014 Member, External Advisory Committee, “Translational research training in communication sciences and disorders”; National Institute on Deafness and Other Communication Disorders grant T32DC009399; Project Director, Charles Larson, PhD, Northwestern University.
- 2009-2014 Member, Advisory Board, National Institute on Deafness and Other Communication Disorders grant R01DC009561 “Development and adaptive behavior of young children with hearing loss”; Principal Investigator, Laurie S. Eisenberg, Ph.D., House Ear Institute, Los Angeles.

- 2009-2014 Member, Advisory Board, "Development and adaptive behavior of young children with hearing loss"; National Institute on Deafness and Other Communication Disorders, R01DC009561; Principal Investigator, Laurie S. Eisenberg, Ph.D., House Ear Institute, Los Angeles.
- 2008-2010 Consultant, "Tone Acquisition in Young Children with Cochlear Implants", National Institute on Deafness and Other Communication Disorders grant R15DC009504; Principal Investigator, Li Xu, M.D., Ph.D., Ohio University.
- 2006-2009 Consultant, "Speech perception and phonological memory with combined electric acoustic hearing"; National Institute on Deafness and Other Communication Disorders grant R03DC008383; Principal Investigator, Marcia Hay-McCutcheon, Ph.D., Indiana University School of Medicine.
- 2006-2007 Consultant, "Development of the Mandarin Lexical Sentence Test", Chung Shan Medical University, Taichung, Taiwan; Principal Investigator, Nan-Mai Wang, Ph.D.
- 2005 Consultant/Mentor, "Assessing audiovisual sentence recognition in children with sensory aids"; American Hearing Research Foundation; Principal Investigator, Rachael Frush Holt, Ph.D., Indiana University.
- 2005 Consultant/Mentor, "A test of audiovisual integration for children with sensory aids"; American Speech-Language-Hearing Foundation; Principal Investigator, Rachael Frush Holt, Ph.D., Indiana University.
- 2004-2007 Consultant, "Multimodal perception by infants with cochlear implants"; National Institute on Deafness and Other Communication Disorders grant R21DC006682; Principal Investigator, Tonya Bergeson-Dana, Ph.D., Indiana University School of Medicine.
- 2003-2008 Consultant, "Speech perception by infants after cochlear implantation"; National Institute on Deafness and Other Communication Disorders grant R01DC006235; Principal Investigator, Derek Houston, Ph.D., Indiana University School of Medicine.
- 2001-2011 Member, Advisory Board, "Childhood development after cochlear implantation"; National Institute on Deafness and other Communication Disorders grant 5R01DC004797; Principal Investigator, John K. Niparko, M.D., Johns Hopkins University. (renewal submitted)
- 1998-2003 Consultant, "Speech and language in children with cochlear implants"; National Institute on Deafness and Other Communication Disorders grant R01 DC00423; Principal Investigator, Richard T. Miyamoto, M.D., Indiana University School of Medicine.
- 1997-1999 Consultant, "Lexical effects on sentence recognition among pediatric users of hearing aids or cochlear implants"; Internal grant, House Ear Institute, Los Angeles; Principal Investigator, Laurie Eisenberg, Ph.D.

## **Invited Lectures and Conference Presentations**

### ***Invited Lectures –International***

- Kirk, K. I. (2013). Assessing speech perception in children. The Third Forum on Development of Mandarin Chinese Speech Recognition Testing and the Workshop of Outcome Measures of Pediatric Cochlear Implants and Hearing Aids. China Otolaryngology Head and Neck Surgery Association, Audiology Division. Dalian, China.
- Kirk, K. I. (2013). Kirk, K. I. (2013) Evaluating multimodal speech recognition in adults and children with hearing loss. Department of Otolaryngology, Tongren Hospital, Beijing, China.
- Kirk, K. I. (2013). Evaluating speech recognition in persons with hearing loss: Lexical, talker and presentation formant effects. International Meeting on Advances in Audiology, University of Salamanca, Salamanca, Spain.
- Kirk, K.I. (2009). Introduction to the Department of Communication Sciences and Disorders at The University of Iowa. Capital Medical University, Beijing, China.
- Kirk, K.I. (2009). Developing new tests of spoken word recognition for listeners with hearing loss. Department of Otolaryngology, Tongren Hospital, Beijing, China.
- Kirk, K. I. (2007). Assessing spoken word recognition in adults and children. Chung Shan Medical University, Taichung, Taiwan.
- Kirk, K.I., Holt, R.F., Miyamoto, R.T. (2006). Age at implantation effects in six-year-old children. 2006 Chinese University of Hong Kong ENT Conference, Prince of Wales Hospital, Shatin, N.T., Hong Kong.
- Kirk, K.I. (2006). Considerations in cochlear implant candidacy. 2006 Chinese University of Hong Kong ENT Conference, Prince of Wales Hospital, Shatin, N.T., Hong Kong Kirk, K.I. (2006). Talker variability and speech understanding in listeners with cochlear implants. New Zealand Audiological Society 2006 Conference, Rotorua, New Zealand.
- Kirk, K.I. (2006). Assessing spoken word recognition in children with sensory aids. New Zealand Audiological Society 2006 Conference, Rotorua, New Zealand.
- Kirk, K.I. (2006). Cochlear implantation in children with prelingual hearing loss. New Zealand Audiological Society 2006 Conference, Rotorua, New Zealand.
- Kirk, K.I., Ying, E., Henning, S.C., & Miyamoto, R.T. (2005). Long-term cochlear implant outcomes in prelingually deafened children. 5<sup>th</sup> Asia Pacific Symposium on Cochlear Implants and Related Sciences, Hong Kong.
- Kirk, K. I. (2004). Assessing spoken word recognition in listeners with hearing impairment. Speech Acoustics Made Easy: What is the Child Really Hearing? University of Nottingham Medical School, Queen's Medical Centre, Nottingham, United Kingdom.
- Kirk, K. I. (2003). The development of the Lexical Neighborhood Test (LNT) and the Multisyllabic Lexical Neighborhood Test (MLNT). Seminar on the Development of Speech and Hearing Assessment Tools, The Chinese University of Hong Kong, Shatin, N.T., Hong Kong.

- Kirk, K. I. (2003). The development of communication skills in children with cochlear implants: Long-term effects. 4<sup>th</sup> Congress of Asia Pacific Symposium on Cochlear Implants and Related Sciences, Taipei, Taiwan.
- Kirk, K. I. (2003). Long-term results for children: Audiological speech and language outcomes. International Cochlear Implant Symposium: Speech and Hearing Foundations. Chung Shan Medical University, Taichung, Taiwan.
- Kirk, K. I. (2003). Speech and hearing foundations: Speech perception and speech production. International Cochlear Implant Symposium: Speech and Hearing Foundations. Chung Shan Medical University, Taichung, Taiwan.
- Kirk, K. I. (2003). Talker variation and speaker understanding. Queen's Medical Centre Medical School, University of Nottingham, Nottingham, United Kingdom.
- Miyamoto, R. T., Houston, D. M., Kirk, K. I., Perdew, A. E., & Svirsky, M. A. (2003). Rationale for early cochlear implantation in congenitally deaf children. 4<sup>th</sup> International Symposium on Electronic Implants in Otology & Conventional Hearing Aids, Toulouse, France.
- Kirk, K. I., Pisoni, D. B., Bergeson, T. R., Miyamoto, R. T., & Davis, R. O. (2003). Long-term cochlear implant outcomes in children. 4<sup>th</sup> International Symposium on Electronic Implants in Otology & Conventional Hearing Aids, Toulouse, France.

**SERVICE**

**Profession**

*Offices*

2010-2012 Vice President for Science and Research, American Speech-Language-Hearing Association; Member Board of Directors

***Editorial Board Member***

2014-2017 Associate Editor for Hearing, Journal of Speech, Language and Hearing Research

2013 Guest Associate Editor, Journal of Speech, Language and Hearing Research

2012- Editorial Board Member, Cochlear Implants International

2012-2013 Guest Editor, Special Issue of Otology & Neurotology

2012 Guest Associate Editor, Journal of Speech, Language, Hearing Research

2011 Guest Associate Editor, Journal of Speech, Language, Hearing Research

2011 Guest Associate Editor, American Journal of Audiology

2008-2011 International Consultant, Journal of Taiwan Speech, Language and Hearing Research

2006 Guest Section Editor, Journal of Speech, Language and Hearing Research

2005 Guest Section Editor, Journal of Speech, Language and Hearing Research

2004-2005 Guest Section Editor, Ear and Hearing

2002 Guest Section Editor, Ear and Hearing

2001- 2007 Associate Editor, Volta Review

***Editorial Review***

2013 Reviewer, ActaOto-Laryngologica

2013 Reviewer, Journal of Neuroscience

2012 - present Reviewer, Otology & Neurotology

2008 Reviewer , Journal of Experimental Psychology: Human Perception and Performance

2005-present Reviewer, Speech Communication

2005-present Reviewer, Audiology & Neurotology

2003-present Reviewer, International Journal of Audiology

2003-present Reviewer, Archives of Otolaryngology – Head and Neck Surgery

2002 Reviewer, Journal of the Acoustical Society of America

2001 Editorial Consultant, Language, Speech & Hearing Services in the Schools

1998-2001 Editorial Consultant, Volta Review

1997-present Editorial Consultant, Annals of Otology, Rhinology, & Laryngology

1993-present Editorial Consultant, Journal of Speech, Language & Hearing Research

1993-present Editorial Consultant, Ear and Hearing

1991-1995 Editorial Consultant, American Journal of Audiology

***Grant Review***

2010-2016 Member, NIH-NIDCD Auditory Study Section

2010 Moderator, American Speech-Language-Hearing Association Grant Review and Reviewer Training Workshop, Rockville, MD

2010 American Speech-Language-Hearing Foundation grant review

2009 Ad Hoc Reviewer, NIH-NIDCD Communication Disorders Review Committee (February panel)

2008 Senior Reviewer, American Speech-Language-Hearing Foundation/RSAC Grant Reviewer Training Workshop

2008 Ad Hoc Reviewer, NIH-NIDCD Loan Repayment Program Review Committee (May panel)

2008 Ad Hoc Reviewer, NIH-NIDCD Language and Communication Study Section, (July panel)

2008 Ad Hoc Reviewer, NIH-NIDCD Communication Disorders Review Committee (March panel)

2008 Ad Hoc Reviewer, NIH-NIDCD Communication Disorders Review Committee (September panel)

2007 Reviewer, NIH-NIDCD Special Emphasis Panel (R01 grant reviews, July)

2007 Senior Reviewer, American Speech-Language-Hearing Foundation/RSAC Grant Reviewer Training Workshop

2007 Reviewer, NIH-NIDCD Communications Disorders Review Committee (conflict grants review) (October panel)

2007 Chair, NIH-NIDCD Special Emphasis Panel for Short-Term Institutional Training Grants (September panel)

2007 Ad Hoc Reviewer, NIH-NIDCD Loan Repayment Program (April panel)

2007 Ad Hoc Reviewer, NIH-NIDCD Communication Disorders Review Committee (March panel)

2006 Reviewer, NIH-NIDCD Special Emphasis Panel for Short-Term Institutional Training Grants (October panel)

2006 Reviewer, NIH-NIDCD Special Emphasis Panel (R03 grant review)

2006 Ad Hoc Reviewer, NIH\_NIDCD Communication Disorders Review Committee (February, October panels)

2005 Reviewer, The Thrasher Research Fund, Salt Lake City, Utah

- 2004 Reviewer, NIH-NIDCD Special Emphasis Panel, Communication Disorders and Language Acquisition (R01 grant review)
- 2004 Review Panel, National Science Foundation
- 2003 Review Panel, American Speech-Language-Hearing Foundation
- 2002 Review Panel, American Speech-Language-Hearing Foundation 2002 Research Grants for New Investigators
- 2001-2005 Reviewer, NIH-NIDCD Special Emphasis Panel for Small Grants (R03)
- 2000 Review Panel, American Speech-Language-Hearing Foundation 2000 Research Grants for New Investigators
- 1998 Research Grant Review Committee, Indiana University Speech, Language and Hearing Association
- 1997-1998 NIH-NIDCD Review Panel for Small Grants (R03)

***Conference Committees / Invited Faculty***

- 2012- Leadership Team, Pathways Conference, American Speech-Language-Hearing Association, Rockville, MD (conference funded by NIDCD and ASHA)
- 2012-2017 Core Faculty Member, Lessons for Success Conference, American Speech-Language-Hearing Association, Rockville, MD (conference funded by NIDCD and ASHA)
- 2011 Co-Director, 13<sup>th</sup> Symposium on Cochlear Implants in Children, Chicago, IL.
- 2009 Invited Panelist, Food and Drug Administration Pediatric Clinical Trials Workshop: Unmet needs, trial designs and clinically meaningful safety and effectiveness outcomes, College Park, MD
- 2008-2009 Member, Treatment of Hearing Loss and Auditory Processing Disorders in Children Organizing Committee for 2009 convention, New Orleans
- 2008-2013 Planning Committee and Faculty, American Speech-Language-Hearing Association Lessons for Success Conference (this annual NIH-funded conference provides grant writing training to promising young investigators)
- 2006-7 International Faculty, 6<sup>th</sup> Asia Pacific Symposium on Cochlear Implants and Related Sciences, Sydney, Australia
- 2006 Keynote Speaker, New Zealand Audiological Society Conference, Rotorua, New Zealand

- 2006 Keynote Speaker, 2006 Chinese University of Hong Kong ENT Conference, Prince of Wales Hospital, Shatin, N.T., Hong Kong
- 2005 Steering Committee and International Faculty, 5<sup>th</sup> Asian Pacific Symposium on Cochlear Implant and Related Science, Hong Kong
- 2004 Invited Faculty, Speech Acoustics Made Easy: What is the Deaf Child Really Hearing? University of Nottingham Medical School, Queen's Medical Centre, Nottingham, United Kingdom
- 2004 Co-Chair, VIII International Cochlear Implant Conference, Indianapolis, Indiana
- 2004 Invited Faculty, Developing Communication after Cochlear Implantation: More Than Just Speech Processing, University of Nottingham Medical School, Queen's Medical Centre, Nottingham, United Kingdom
- 2003 Invited Faculty, Seminar on the Development of Speech and Hearing Assessment Tools, The Chinese University of Hong Kong, Shatin, N.T., Hong Kong
- 2003 Invited Faculty, International Cochlear Implant Symposium: Speech and Hearing Assessment Tools, The Chinese University of Hong Kong, Shatin, M.T., Hong Kong
- 2003 Member, International Advisory Board, 4<sup>th</sup> Asian Pacific Symposium on Cochlear Implants, Taipai, Taiwan
- 2003 Keynote Speaker, 9<sup>th</sup> Symposium on Cochlear Implants in Children, Washington, DC
- 2003 Invited Faculty, 4<sup>th</sup> Symposium on Electronic Implants in Otology and Conventional Hearing Aids, Toulouse, France
- 2002 – 2004 Member, Committee on Disability Determination for Individuals with Hearing Impairments, National Research Council, Washington, DC
- 2002 Invited Faculty, International Conference on Infant Studies, Toronto, Canada
- 2001 -2003 Steering Committee, 2003 Conference on Implantable Auditory Prostheses
- 2001 Member, Organizing Committee, 8<sup>th</sup> Symposium on Cochlear Implants in Children, Universal City, CA
- 2000-2004 Member, Organizing Committee, 2004 International Cochlear Implant Conference, Indianapolis, IN
- 2000 Invited Faculty, CI 2000, 6<sup>th</sup> International Cochlear Implant Conference, Miami, FL
- 2000 Invited Faculty, 5<sup>th</sup> European Symposium on Pediatric Cochlear Implantation, Antwerp, Belgium

- 1999-2000 Chair, Cochlear Implant Subcommittee, 2000 Convention of the American Speech-Language-Hearing Association, Washington, D.C.
- 1998 Invited Faculty, 7<sup>th</sup> Symposium on Cochlear Implants in Children, Iowa City, IA  
*Consultant*
- 2001-2003 Steering Committee, Bilateral Pediatric Cochlear Implantation, Cochlear Corporation
- 1999-2005 Member, Audiology Advisory Panel, Cochlear Corporation, Englewood, CO
- External Faculty Review*
- 2010 External Reviewer for Faculty Promotion and Substantiation (Tenure), The Chinese University of Hong Kong
- 2004 External Reviewer for Faculty Promotion and Tenure, School of Hearing, Speech and Language Sciences, Ohio University, Athens, OH
- 2004 External Faculty Reviewer, Department of Communication Sciences and Disorders, The University of Texas at Austin

**Department**

- 2011-2013 AuD Studies  
PhD Studies
- 2009-2011 Undergraduate Studies Committee  
Au.D. Committees (Curriculum, Administration, Comprehensive Examinations)  
Ph.D. Studies Committee

**School**

- 2012-2015 Judicial Review Committee

**Students Supervised**  
*The University of Iowa*

Postdoctoral Fellows

<u>Year</u>	<u>Name</u>	<u>Department</u>	<u>Role</u>	<u>Outcome</u>
2011-2013	Ashley Farris-Trimble	Psychology	Mentor	

Ph.D. Comprehensive Examination Committees

<u>Year</u>	<u>Name</u>	<u>Role</u>	<u>Outcome</u>
2011-2012	Amanda Silberer	Committee Member	Currently enrolled
2009-2010	Michelle Quinn	Committee Member	Currently enrolled
2009	Li Chiou	Committee Member	Currently enrolled

Ph.D. Dissertation Committees

<u>Year</u>	<u>Name</u>	<u>Title</u>	<u>Role</u>	<u>Outcome</u>
2010-2012	Cheyenne Munson (Dept. of Psychology)	<i>Specificity of perceptual learning: Learning about specific talkers, phonemes and words</i>	Committee Member	Graduation May 2012

Ph.D. Doctoral Committees

<u>Year</u>	<u>Name</u>	<u>Title</u>	<u>Role</u>	<u>Outcome</u>
2012-	Keith Apfelbaum (Dept. of Psychology)	N.A.	Committee Member	Currently enrolled

***Purdue University***

Ph.D. Dissertation Committees

<u>Year</u>	<u>Name</u>	<u>Title</u>	<u>Role</u>	<u>Outcome</u>
2008-2010	Vidya Krull	<i>Perceptual learning of</i>	Major	Graduated Spring

		<i>spectrally degraded speech</i>	Professor	2010 T32 Postdoctoral Fellow, Department of Speech and Hearing Sciences, Indiana University, Bloomington
<u>Ph.D. Doctoral Committees (Pre-Dissertation)</u>				
2007-2008	Vidya Ganesh	<i>Word frequency and lexical density effects on children's speech perception</i>	Major Professor	Still enrolled
2007-2009	Javier Gonzalez Castillo	<i>Modeling hemodynamic responses in auditory cortex at 1.5 T using variable duration imaging acoustic noise</i>	Member	Still enrolled
<u>AuD Capstone Projects</u>				
<b><u>Year</u></b>	<b><u>Name</u></b>	<b><u>Title</u></b>	<b><u>Role</u></b>	<b><u>Outcome</u></b>
2009-2010	Jennifer Karpicke	<i>Multimodal tests of spoken word recognition for adults</i>	Major Professor	Graduated 5/2011
2008-2009	Lindsey Prusick	<i>Multimodal tests of spoken word recognition for children</i>	Major Professor	Graduated 5/2010
2007-2008	Andrea Moore	<i>Lexical effects on sentence recognition in children</i>	Major Professor	Graduated 5/2009

***Indiana University***

Postdoctoral Fellows

<u>Year</u>	<u>Name</u>	<u>Department</u>	<u>Role</u>	<u>Outcome</u>
2004-2005	Marcia Hay-McCutcheon	Otolaryngology-HNS	Mentor	Associate Professor Department of Communication Disorders University of Alabama
2003-2005	Rachael Holt, Ph.D.	Otolaryngology-HNS	Primary Mentor	Assistant Professor Department of Speech and Hearing Sciences Indiana University, Bloomington
1994-1995	Mark Sehgal, MD	Otolaryngology-HNS	Primary Mentor	Private practice Oklahoma
1992-1993	Mitchell Sommers, Ph.D.	Psychology and Cognitive Science	Mentor	Associate Professor Department of Psychology Washington University, St. Louis

Ph.D. Dissertation Committees

<u>Year</u>	<u>Name</u>	<u>Title</u>	<u>Role</u>	<u>Outcome</u>
2006	Caitlin Dillon	<i>Phonological processing skills and the development of reading in deaf children</i>	Member	Researcher Haskins Laboratory
2004	Cynthia Clopper	<i>Linguistic experience and the perceptual classification of dialect variation</i>	Member	Asst. Professor Department of Linguistics Ohio State University
2002	Miranda Cleary	<i>Perception of talker differences in normal-hearing children and hearing-impaired children with cochlear implants</i>	Member	Adjunct Asst. Professor Department of Speech-Language and Hearing Sciences The Graduate School City University of New York
2002	Loren Lachs	<i>Vocal tract kinematics and crossmodal speech information</i>	Member	Associate Professor Department of Psychology California State University, Fresno

2001	Nathan Amos	<i>The contribution of high frequencies to speech recognition in sensorineural hearing loss</i>	Member	Clinical Associate Professor Department of Speech and Hearing Sciences Indiana University
------	-------------	---	--------	---

**Other Contributions to Instructional Programs**

*External Member, Ph.D. Dissertation Committees*

<u>Year</u>	<u>Name</u>	<u>University</u>	<u>Title</u>
2009-2010	Vidya Krull	Department of Speech-Language and Hearing Sciences Purdue University	<i>Perceptual learning of spectrally degraded speech</i>
2006	Pauline Nott	School of Graduate Studies The University of Melbourne Victoria, Australia	<i>Early communication development of children with severe-profound hearing loss</i>
2006	Shani Dettman	School of Graduate Studies The University of Melbourne Victoria, Australia	<i>Primary caregiver input and communication development for children using the cochlear implant</i>
